## SUPPLEMENTAL COMMUNICATION

Sir:

On January 17, 2003, an Amendment and Response to Final Office Action was filed in connection with the above-identified application. A Request for Continuing Examination (RCE) transmittal was to be concurrently filed on January 17, 2003, but was inadvertently and unintentionally omitted and consequently not filed at that time. Applicant's undersigned attorney believes that due to the failure to include the RCE transmittal, a Notice of Abandonment will be issued in due course. Accordingly, in order to avoid delay and continue with the prosecution of the subject application, enclosed herewith is a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b) including the RCE transmittal (further requesting entry of the previously filed amendments).

Applicant respectfully requests entry of the amendments to the claims and consideration of the accompanying remarks as filed on January 17, 2003.

No additional fee, other than the Petition fee and fee for the filing of an RCE is considered necessary. However, Applicant authorizes the Commissioner to charge the cost of the petition fee, RCE fee and/or other fees which may be considered necessary by the Commissioner in connection with the filing of these documents to Deposit Account No. 50-2518, referencing billing number 23915-7321.

Respectfully submitted,
